INEVITABLY

Q-33094

SIRE: ZIPPO PINE THREE USA-2515525 / DAM: CHARISMA RED USA-177604 • DOB: 16/5/1993

Patricia Wettenhall, Dick Fuchs, Geoff and Di Rose all wanted to improve their Quarter Horse stock, so decided to join forces and finances and buy a horse that would be an asset to the Australian Quarter Horse industry.

Charlotte Spinks-Browning found Inevitably Q-33094 for the partnership. Nobody could foresee what an impact Inevitably was going to have here in Australia. He was selected on his breeding and disposition, with his black colour being the decider. Both his parents were champions under saddle.

He was started under saddle by Trish Wettenhall, under the guidance of Charlotte Browning. He was imported to Australia as a two year old and was shown lightly. As a three year old his career was launched. He excelled and received awards in Western Pleasure, Trail and Hunter under Saddle. He also achieved his Register of Merit in Halter. Over his career he has gained Superior and Bronze Century awards and was an AQHA champion.

Inevitably has not only achieved excellence as a sire, but as a grand sire. He is the only sire to have a son in the top 10 sires of performance horses in the AQHA for a number of years. His progeny and grand progeny have amassed over 25,000 AQHA points. Inevitably has now retired from stud and is enjoying his retirement.
